made by the gentleman from Connecticut (Mr. SHAYS) and myself to include funds in this bill for the environmental impact statement for the New York-New Jersey Cross Harbor Rail Freight Tunnel.

This project was first authorized in TEA-21 and received funds for a Major Investment Study, which was completed last year.

New York City, Long Island, and Westchester and Putnam Counties and the State of Connecticut are virtually cut off from the rest of the country's rail freight system for lack of any way for rail freight to cross the Hudson River, except at a bridge 140 miles north of New York City.

examining numerous alternatives, the MIS recommended construction of a rail tunnel under New York Harbor. The benefit to the region will be about \$420 million a year and the benefit to cost ratio is 2.3 to 1. The environmental impact will be profound as it would remove 1 million tractor trailers from off the region's roads a year. So I am gratified this was included in the bill. I am disappointed the Second Avenue Subway was not included in the bill.

The CHAIRMAN. The Clerk will read. The Clerk read as follows:

This Act may be cited as the "Department of Transportation and Related Agencies Appropriations Act. 2002".

The CHAIRMAN. If there are no further amendments, under the rule, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. ISAKSON) having assumed the chair, Mr. CAMP, Chairman of the Committee of the Whole House on the State of the Union, reported that that Committee, having had under consideration the bill (H.R. 2299) making appropriations for the Department of Transportation and related agencies for the fiscal year ending September 30, 2002, and for other purposes, pursuant to House Resolution 178, he reported the bill back to the House with sundry amendments adopted by the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

Is a separate vote demanded on any amendment? If not, the Chair will put them en gros.

The amendments were agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

The SPEAKER pro tempore. The question is on the passage of the bill.

Pursuant to clause 10 of rule XX, the yeas and nays are ordered.

The vote was taken by electronic device, and there were—yeas 426, nays 1, not voting 6, as follows:

CONGRATULATING REPRESENTA-TIVE PUTNAM AND MELISSA PUTNAM ON BIRTH OF DAUGH-TER ABIGAIL ANNA PUTNAM

(Mr. CRENSHAW asked and was given permission to address the House for 1 minute.)

Mr. CRENSHAW. Mr. Speaker, I have some exciting news to share with my colleagues, and I think in a spirit of bipartisanship, we can all agree that this is, in fact, good news, because today the youngest Member of the House of Representatives, the gentleman from Florida (Mr. PUTNAM) and his wife Melissa became the proud parents of a baby girl.

Mr. Speaker, today Abigail Anna Putnam was born. She weighed 8 pounds and 4 ounces. She is 21½ inches long, and they are still looking for the first sighting of that fire-engine red hair that the gentleman carries around with him here.

Just as a word of history, I want my colleagues to know, first of all, that the mother and the daughter are doing well. The gentleman from Florida is a little shaky, but I think he is going to make it.

Abigail is the sixth generation Putnam to be born in Polk County, Florida, and her great grandfather, who is 92 years old, is so excited that he said he is probably more excited about the gentleman from Florida becoming a father than he was when the gentleman got elected to Congress.

I know that all my colleagues want to join with me in wishing the gentleman from Florida and his wife Melissa and their new baby Abigail a wonderful life together.

Mr. PENCE. Mr. Speaker, will the gentleman yield?

Mr. CRENSHAW. I yield to the gentleman from Indiana.

Mr. PENCE. Mr. Speaker, I thank the gentleman for yielding to me, and I want to add my congratulations to the growing congressional family, to Melissa Putnam for putting up with the gentleman from Florida (Mr. PUTNAM), and to the happiness. The knowledge that children are a reward from the Lord is something we are pleased to acknowledge, and we send prayers and best wishes, Mr. Speaker, to all of those who share that sentiment.

Mr. CANTOR. Mr. Speaker, will the gentleman yield?

Mr. CRENSHAW. I yield to the gentleman from Virginia.

Mr. CANTOR. Mr. Speaker, I, too, rise to extend my congratulations from the Commonwealth of Virginia to the gentleman from Florida (Mr. PUTNAM) and Melissa Putnam on the birth of their baby and wish them much strength through the next couple of months of interrupted sleep.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Nebraska (Mr. Osborne) and the gentleman from New Jersey (Mr. Payne) each will control 20 minutes.

The Chair recognizes the gentleman from Nebraska (Mr. OSBORNE).

GENERAL LEAVE

Mr. OSBORNE. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks on H. Con. Res. 172, as amended.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Nebraska?

There was no objection.

Mr. OSBORNE. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I am pleased to bring House Concurrent Resolution 172 to the floor. This concurrent resolution recognizes and honors the Young Men's Christian Association, commonly known as the YMCA, on the 150th anniversary of its founding in the United States.

YMCAs are very much a part of the American landscape and history. The organization began in London, England, in 1844. And in 1851, the first YMCA in America was established in Boston, Massachusetts. The YMCA's presence in America has grown steadily to serve nearly 18 million individuals, including 9 million children annually.

I imagine many of us have participated in or benefited from YMCA's services. Over time, the YMCA has been associated with programs, including youth camping and the creation of volleyball and racquetball. Additionally, by the late 1990s, YMCAs were providing daycare for half a million children annually. The YMCA has provided learn-to-swim programs and has been connected to pools and aquatics for many years.
